A Glorious Saturday Evening to You, Heritage Family!

What a glorious few day we've enjoyed. And the forecast for this week just gets better and better. Sunny and warmer. Garden Waterers – get ready! Oh, and by the way, we could still use a Waterer or two. And we could always use Weeders. It's not a very glamorous job, but let me remind you that God has a special place in his heart for gardeners. (see Genesis 2:8)

I hope you're planning on joining us tomorrow for our final “full scale” You Tube Heritage Church Clawson Worship. It should be ready for viewing by 9 AM. The working title for tomorrow is:

**The Goodness of God**

And that brings us to next Sunday, June 21. We are trying to get an idea of how many to expect, so we can set up appropriate “safe distance” seating. This week, as the elders are making their calls, would you please inform them as to whether or not you are able to join us for worship on the 21<sup>st</sup>? Or, if you don't want to wait for the call, you can text or email me, and let me know. That would be great. Hope you'll join us, but we certainly understand that some of our family might not be ready for that transition just yet. Either way, we hope to hear from you.

And that's all for today. See you tomorrow morning. God bless.
