

Joyful in Hope - 76 - June 16, 2020
(thoughts and ideas to encourage and challenge)

*"Be joyful in hope, patient in affliction, faithful in prayer."
Romans 12:12*

After a long day, this is just what I needed to be reminded of. Sorry it's so late.
Rest well tonight.

Those who live in the
shelter of the Most
High will find rest in
the shadow of the
Almighty. This I
declare about the
Lord : He alone is my
refuge, my place of
safety; he is my God,
and I trust him.
Psalms 91:1-2
