

Joyful in Hope – 90 – July 14, 2020
(thoughts and ideas to encourage and challenge)

“Be joyful in hope, patient in affliction, faithful in prayer.”
Romans 12:12

Happy Tuesday, Heritage Family,

Let's begin with this, your invitation to tomorrow's Prayer Time.

It was great to have a good crew joining together for worship Sunday morning. Several new faces. In case you've been looking for it, Sunday's worship video is finally posted on You Tube. I apologize for the delay, and for the fact that the recording doesn't begin until Communion. Because I was playing a couple of songs from my phone, we were using Janine's phone to video, and when I went to check it, I realized that I had failed to turn on. Glad I checked it before communion. One of these days, we'll get it right.

We are still working to get Mel's Bible Study on the book of Romans, on the Heritage You Tube channel. I'm hoping that Lessons One and Two will be available this weekend.

Janine and I drove out to Metamora, and had a nice visit with Bill Powers yesterday on his 84th birthday. He sends greetings to everyone at Heritage.

And finally, Wally Tycholiz asked me to pass this message on to the Heritage Family.

*Hi Pete--hope all is well with you and yours. We have been well. I had hoped to make this announcement myself, but I'm not sure when that will be. I just wanted to thank you and Janine and all my brothers and sisters that visited me during my hospital stay. Your card, prayers, and flowers brightened up my days and still bring a tear to my eye. I got out of Hotel Beaumont just in time. I have been following up on my doctor's visits. Doing well. thank you God. Nancy has, of course been amazing. Until we meet again, we love you.
In Jesus, Wally and Nancy.*

We'll have prayer updates for you on Thursday.

Peace,
Pete
